Septic Service Maintenance Agreement (MA)

Owner Name: _____ Email: _____
 Address of Property: _____ City, Zip: _____ County: _____
 Billing Address: _____
 Home Phone: _____ Cell Phone: _____

System Type: AT-GRADE / MOUND, PRESSURIED LATERIALS, & LIFT PUMP TO D-BOX

Rogers Septic proposes to offer a service maintenance agreement on the septic system at the property listed above. **The cost of the contract is \$150.00.** A copy of this agreement, MA report, & water samples will be sent to the county health department.

The MA consists of:

- Check water level and sludge level in septic tank.
- Clean effluent filter once a year.
- Probe & check lateral bed
- Check / Test electric components (Controls & Alarm system, Lift pumps, ect.)
- Check spray height of lateral distribution pipe (if accessible)

Cost of non-contract service. Homeowner authorization required.

- Cleaning septic tank: \$250.00 (plus disposal fee \$85.00 per 1,000 gallons).
- Any repairs to septic system. Time & material.

This contract is renewable yearly for the life of the system. This contract does not hold the contractor liable for any malfunctions of the system. **PLEASE COMPLETE, SIGN, AND RETURN WITH PAYMENT** to above address, *check payable to R Rogers LLC.*, or credit card info below.
