Jan.1 to Dec.31, 2017 **Septic Service Maintenance Agreement (MA)**

Owner Name: _____ Email: _____
 Address of Property: _____ City, Zip: _____ County: _____
 Home Phone: _____ Cell Phone: _____
 System Type: SANDFILTER other: _____

Rogers Septic proposes to offer a service maintenance agreement on the septic system at the property listed above.

The MA consists of:

- Spring/fall? Water samples. If not discharging a no discharge form will be sent to county
- Check water level and sludge level in septic tank.
- Clean effluent filter once a year.
- Probe & check filter bed
- Check / Test electric components (Alarm system, UV Lite system, Lift pumps)
- Clean outlet discharge pipe (approx. 2-3ft of end if accessible)
- **A copy of this agreement, MA report, & water samples will be sent to the county health department and to you if an email address is provided**

Cost of non-agreement service. Homeowner authorization required.

- Cleaning septic tank: \$250.00 (plus disposal fee \$85.00 per 1,000 gallons).
- Any repairs to septic system. Time & material.

1 visit/ w/o sample	1 visit / with sample	2 visits with 2 samples
\$150.00	\$200.00	\$275.00

This agreement is renewable yearly for the life of the system. This contract does not hold the contractor liable for any malfunctions of the system. **PLEASE COMPLETE, SIGN, AND RETURN WITH PAYMENT** to above address, **and check payable to R Rogers LLC.**, or credit card info below.

Agreement accepted (owner's signature) _____ **Date:** _____

By signing this agreement, you are authorizing payment and Rogers Septic (R Rogers LLC) access to your property, to preform required maintenance to your septic system and to remain in compliance with the Iowa DNR chapter 69.
